

Shelby Energy's New District III Director

Jeffrey Joyce

Jeffrey Joyce has been newly selected as a Shelby Energy Director. He is a graduate of the University of Kentucky with a degree in Mechanical Engineering and holds a Master's in Business Administration from Bellarmine College (University).

Mr. Joyce has retired after more than 37 years in the electric utility industry, serving in various technical and leadership positions in power generation plants. These positions included responsibility for supervision/management, engineering services, financial management, operations, and maintenance.

Mr. Joyce resides in Milton and will serve District III, which encompasses Trimble County and portions of Carroll and Oldham Counties.

Shelby Energy Members can contact Jeffrey Joyce at (502) 663-1150 or at SECboard@shelbyenergy.com with the subject line "District 3"
